## Who are Kinedo?

Kinedo is the showering division of Saniflo Ltd, which is a wholly owned subsidiary of Group SFA of France. Our state of the art factory comprises two sites just outside Nantes in North West France. The two sites have a combined capacity to produce in excess of 300,000 pieces per annum and occupy a total of over 25,000m<sup>2</sup>. Both sites are fully robotised and utilise some of the most up to date modern machinery specific to the manufacture of self contained shower cubicles and shower enclosures. One of the most important reasons for you, as a house builder for dealing with Kinedo, is that you have the confidence in us as a company and of our ability to deliver our promises. With the benefit of a truly global organisation you can be assured that Kinedo is the ideal partner when it comes to "off the shelf" or "customer specific" quality showering products.
